

Windows Search Index Analyzer User Licence Agreement

IMPORTANT:

PLEASE READ THIS CAREFULLY. IT IS A LEGAL DOCUMENT AND YOU MUST AGREE TO ITS TERMS AND CONDITIONS TO USE THIS SOFTWARE PRODUCT.

GREENSPOT TECHNOLOGIES LIMITED WILL GRANT YOU A LICENCE TO USE THIS SOFTWARE PRODUCT IN CONSIDERATION OF YOU ACCEPTING ALL THE TERMS AND CONDITIONS OF THIS AGREEMENT.

SOFTWARE PRODUCT

Software Product refers to the Windows Search Index Analyzer software version 1 along with any associated files or documentation distributed with the software. It also includes any updates, upgrades or revisions which may be provided by Greenspot Technologies Ltd from time to time except where such update, upgrade or revision is subject to a new Licence Agreement.

Any reference to 'software' or 'product' in this agreement means 'software product'.

FREE TRIAL USAGE

The Free Trial version of this software is provided free of charge but is limited with regard to the amount of records it will display from an index file.

The Free Trial version is provided so that you may ensure that the software operates to your satisfaction in all respects and in particular with regard to its functionality.

FULL VERSION

To use a full unrestricted version of this software a licence must be obtained. Prior to acquiring a licence in one of the ways described below you must ensure that you have used the Free Trial version and by acquiring the full licence you confirm that you have done so and that the software operates to your satisfaction.

A valid licence may only be obtained in one of 4 ways.

1. By purchasing the product via <http://www.edbsearch.com> or other website that Greenspot Technologies Ltd may utilize from time to time for the marketing and sale of the product.
2. By purchasing another software product from Greenspot Technologies Ltd which specifically incorporates the use of the product within its licence agreement.
3. By purchasing a licence from a reseller who is authorized by Greenspot Technologies Ltd under a separate commercial agreement to resell the product.
4. By arranging to purchase a licence directly from Greenspot Technologies Ltd provided such purchase is acknowledged as providing a licence for use of the product.

In all cases a purchase of a licence permits use of the full unrestricted product in perpetuity provided that you comply with the requirements of the Activation clause detailed below.

LICENCE CATEGORIES

STANDARD LICENCE

The standard licence allows for the software to be installed on one computer at any one time.

A standard licence allows 2 activations per year commencing from the date of purchase. Activation is required when the software is installed on a new device or re-installed on a device from which it has been removed.

PROFESSIONAL LICENCE

The professional licence allows the software to be installed on a maximum of 2 computers at any one time.

A professional licence allows 8 activations per year commencing from the date of purchase. Activation is required when the software is installed on a new device or re-installed on a device from which it has been removed.

FORENSIC LICENCE

The forensic licence allows the software to be installed on a maximum of 2 computers at any one time.

A forensic licence allows 20 activations per year commencing from the date of purchase. Activation is required when the software is installed on a new device or re-installed on a device from which it has been removed.

BESPOKE MULTI USER LICENCE

Where a bespoke multi user licence is issued by Greenspot Technologies Ltd the number of devices and activations per year will be specified on issue of the licence. The number of activations will be allowable activations per year commencing from the date of purchase. Activation is required when the software is installed on a new device or re-installed on a device from which it has been removed.

USAGE

By using this product you agree to and accept all the terms and conditions of this licence agreement.

GENERAL TERMS AND CONDITIONS

The remainder of this licence agreement comprises the general terms and conditions.

USE OF PRODUCT

You may:

1. Install the software in accordance with the restrictions stipulated by the licence category.
2. Make one copy of the software for archival purposes only.
3. Use the software in accordance with the terms and conditions of this agreement.

You may not:

1. Redistribute this software product.
2. Sub-licence or lease this software product or use this product for any commercial purposes.
3. Transfer the software to another person, company or other legal entity.
4. Reverse engineer, disassemble, decompile or otherwise attempt to discover or alter the source code for the software.
5. Use the product in any manner outside of the terms and conditions of this agreement.
6. Disclose your licence key details to 3rd parties.

ACTIVATION

Activation associates the use of the software with a specific device. During activation the software will send information about the product and the device on which it is installed to Greenspot Technologies Ltd. The information sent comprises the licence details and data identifying the physical device. By using the software you consent to transmission of this information.

Standard activation requires the device on which the product is installed to be connected to the internet. An offline method of activation is available where no internet connection is available although this alternative method will still require the transmission of the same information via email. You will be required to activate the product within the period displayed by the software.

Failure to activate the software may affect its functionality or even render it unusable.

MULTIPLE ACTIVATIONS

Greenspot Technologies Ltd acknowledges that you may from time to time need to install the product on a new or alternative device. Re-installation of the software will require further activation of the product and must fall within the criteria defined by the licence categories detailed within this licence agreement.

The activation criteria stipulated by this licence are designed to provide sufficient re-installation capability. In accepting this licence you confirm that you have taken into account your re-installation needs and purchased a licence appropriate for those needs. In the event that you require a bespoke multi user licence to cater for your re-installation needs please contact Greenspot Technologies Ltd directly. Contact details may be obtained from <http://www.edbsearch.com> or other websites that Greenspot Technologies Ltd may utilize from time to time for the marketing and sale of the product.

In the event that multiple activation attempts are identified that fall outside of the terms and conditions of this licence agreement, the software product may cease to function properly or even become unusable.

Greenspot Technologies Ltd reserves the right to block the use of licence details which it believes are being used in contravention of this User Licence Agreement.

COPYRIGHT

You acknowledge that Greenspot Technologies Ltd is and remains the owner of all rights including the Copyright in the software.

LIMITED WARRANTY AND DAMAGES DISCLAIMER

1. Subject to clause 3 under this section Greenspot Technologies Ltd disclaims all warranties including but not limited to the following:

a. The product will be fit for the purpose intended by you.

b. The product will be free from defects or errors.

2. You acknowledge that the software cannot be guaranteed to be free from defects or errors and the existence of any such defects or errors will not constitute a breach of this agreement and Greenspot Technologies Ltd will not be liable for any damages, including consequential losses, arising out of any such defect or error subject to clause 3 under this section.

3. In the event that any applicable law does not allow the exclusion of liability detailed under this section Greenspot Technologies Ltd's liability will not exceed the purchase price paid for the software product.
